1 ____

The whole thing has been a brilliant experience, although I think my next trip might be on a ferry or by bus. I've seen more departure lounges and check-in desks than anything else, and I never want to stand around a baggage reclaim area again, ever! We've had security alerts, lost luggage, and have even had to race across the runway to get on before take off... but how else could you see so many countries in such a short time?

2 ____

Today has been the most amazing day of all. We've been hiking in the hills, looking at the fantastic trees and plants in the area. We've seen loads of wildlife, too. The weather has been great, really hot – this afternoon we went for a swim in the pool. Tonight we're going to listen to a talk about the unusual rocks and minerals in this part of the country. I'm learning so much!

3 ____

I've done it! I've actually performed on stage in front of some of the country's best singers and dancers! I've never felt more nervous in my life, but I've never been more proud of myself either. It's been a really hard week, trying to learn all the steps, and believe me, it's not easy to sing and move at the same time. Tonight we're going to hear the judges' comments... wish me luck.

4 ____

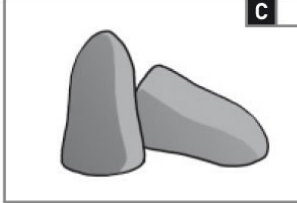

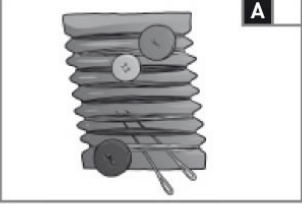

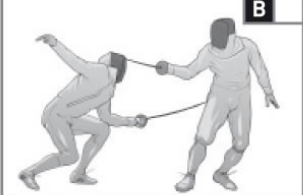

Well, it's been fun but I don't think I'm ever going to become the next Rodin or Henry Moore. I found the whole experience incredibly difficult. I'll never look at a statue in the same way again! I managed to make quite a nice small bowl though, and I've made some interesting coffee mugs. My tutor says they're unique – I think she's referring to the unusual shapes – they *are* very original.

5 ____

It's been really great here. There's been so much to do. I've sailed, been kayaking, canoeing, windsurfing - and today we went scuba diving. I've never seen so many wonderful sights underwater before. I don't think I'll ever be happy with just a swim in the local pool again! The only thing we haven't done enough of is lying on the beach, relaxing and sunbathing... I still haven't finished a book!
